J.) Urban. "Rodger Fuels Memphis Chairman Howard Urban, an outstanding leader in our industry, left us far too soon at his passing on December 19, 2017. Howard joined the Urban Land Institute (ULI) board of directors in 2006, and was elected ULI Board Chair in 2014. He was an exemplary member, whose talents, passion and wisdom will be greatly missed by the ULI community. Howard's family was integral to his success in business and civic leadership. They are among the most generous and caring people I have ever known. Howard and his family were involved in almost every aspect of our community, and his influence spanned decades in various entrepreneurial endeavors. Howard was never stopped by a challenge. He always saw opportunity, and was a true champion of growth and change in our community. Those of us who knew Howard personally know he was 'a guy you really wanted to have a beer with,' but if you didn't know him, you were just as glad you did. We will miss Howard, and his brilliant, kind and wonderful family. We will continue to advocate for his vision and legacy, and Howard's passion for his community will live on through the Howard G. and Amelia Bowen Foundation, which will continue to support Memphis in perpetuity, and one day, the Memphis Urban Land Institute. We salute his memory." Mr. Urban was born in Pontiac, Illinois on September 17, 1948. He began his career working at Hodge Products in Belleville, Illinois, where he became friends with Howard G. Bowen Sr., a founder of Bowen Properties, LLC and the current Chairman of the Board of the Howard G. Bowen Foundation. In 1991, he moved
