In Win's Street Sweepers Team is a fast and furious game of survival for 2-4 people. Grab a partner and get swept up in the action of this frantic shootout. Your objective is to survive by outsmarting and outgunning the rivals as you run through the entire season. The game features: Larger goal areas Race through the field in fast paced shootouts Team up with a friend and play as a team Attack and evade the rivals Play as one of 15 unique racers Difficulty can be increased or decreased at any time by the players as they encounter opponents Colorful graphics and sound effects iOS App for iPhone and iPad To celebrate the iOS release of WIN's Street Sweepers Team, a special "FREE" offer is being made to everyone who pre-orders the game on the App Store, exclusively for iTunes customers. Listen carefully to the dialog in-app, and you may just get a chance to win one of these special iPhones. The offer runs until April 30, 2016. Win's Street Sweepers Team is a game where you can compete with your friends to be the last racer left with a team standing. Or if you and your friends want to go it alone, then you're free to try out all the different racers without anybody else's help. The game features teams of 3 up to 4 players, and a maximum of 3 hours of gameplay per day is allowed. Your progress can be saved and you can continue your game at any time. To be the last racer standing in a race, you will need to outrun your opponents or get into a fast car and grab a hold of the bonuses. You can also choose to play as the other racers and steal their bonuses, but you'll need to be very careful. They might decide to knock you out and steal your spot. Watch out for the other racers' cunning tricks too! As you play, you will earn money and buy new parts for your car. These include parts that can improve you overall performance and parts that can boost your car's handling. You can also use the car's shield to protect you from the other racers' bullets and

allow you to be sneaky and avoid getting shot. You can then use the money you have gained to buy cars, parts, and upgrades. You can also buy extras such as brakes and a GPS transmitter. You need these extras because you will be racing all over the city as you encounter rival racers. You don't have

This is just as great if not better! 5 /5 stars4 jay pingryGameplay City Sweeper - Clean it Fast!: Review by Vichay Sengthuvy Rating: 5/5Q: How to convert a list of string into list of sublists in python I have a list of strings where I want to convert it into a list of lists like the one below. [[a1,b1,c1],[a2,b2,c2],[a3,b3,c3]...] where ai is the list of strings. How can I do this with python? A: Try something like this: >>> my_list = ["a1", "b1", "c1"] >>> my_list.extend(["a2", "b2", "c2"]) >>> my_list.extend(["a3", "b3", "c3"]) >>> result = [] >>> for i in my_list: result.append(i) result.append(my_list) >>> result [['a1', 'b1', 'c1'], ['a2', 'b2', 'c2'], ['a3', 'b3', 'c3']] Explanation: First extend adds new elements at the end of the list. For the next line,
