A brand-new adventure in the award-winning Siralim universe! Siralim 2 is the definitive sequel to the original Siralim and will carry on the adventurous journeys of your adventurers. With the release of Siralim 2, you will get to use all the "Skin" items to customize your creatures. In addition to that, you will also be able to wear different shoes and hats! This DLC unlocks more than 10,000 skins from various points in the game! Most of them are available for your heroes to wear, but some skins have special effects for the world around you. Be on the lookout for them as you explore new lands, and they'll help you in your adventures. What Can This DLC Unlock?
