It had a very basic layout and was very hard to use. The ideas were good, but we could not make it happen at that time. I have reworked this so that: it can be understood by people who have never been on a show before. it is easy to use. These are the same ideas as the old version, but in a modern UI. I have used a lot of YouTube videos and have put a lot of effort into making this guide look professional. You can watch this video to see the guide in action. It is more detailed than I can explain in this blog post.

Very few people, however, have had the opportunity to take the journey through Haleakala National Park's rugged forests, black sands and magnificent vistas. Haleakala Aloha explains the history and geological events that gave rise to the park, describing its living and cultural diversity, and introducing you to the park's flora and fauna. There is something for every level of experience, and Haleakala Aloha suggests ways to make the most of your visit. From here, you can go for a hike, saddle up for a horseback ride, or relax in luxury in one of the inns in the area. In Haleakala Aloha, photographer Richard Mark Tarbutton teaches you how to shoot a subject in the correct light and use of lighting modifiers such as diffusion, focus aids and reflectors to really capture the desired image.
