The Name of the game, 4Dwm is a window manager for Windows that looks very similar to the famous 3Dwm software,.Last Thursday's (28 Feb) nationwide protests were the biggest since the return to democracy in 1991. From Tanjung Api in the south of Jakarta, to an army barracks in the north, thousands of demonstrators converged on the capital. In addition to the demands of widespread income inequality, they expressed concerns about the handling of national security following the May arrest of three top military officials. The convoys of armoured vehicles often referred to as "tanks" spread out in all directions. But it was the army-style green flags that made these protesters
