GOOGLE DENS ?? GET IT NOW : ?? REDDIT: ??? INSTAGRAM : ?? YT : ? BITCHUTE : ???♥ FACEBOOK: Roblox is an online game platform and game creation system developed by Roblox Corporation that allows users to program games and play games created by other users. Created by David Baszucki and Erik Cassel in 2004 and released in 2006, the platform hosts user-created games of multiple genres coded in the programming language Lua. For most of Roblox's history, it was relatively small, both as a platform and a company. Roblox began to grow rapidly in the second half of the 2010s, and this growth has been accelerated by the COVID-19 pandemic. Roblox

No. Free robux are free robux you get when you make. For example, when you get in a war and defeat your foes it grants you free robux. It never grants free robux unless the war was made. Follower is not a type of account. Followers are different people. If their name is someone, it means they are related to someone. No, you do not have to be in a fight to have free robux. For example. Your cousin is fighting in a fight. He has used up his enough robux and his friend gives him free robux. Your cousin gives some robux to you. There are two different things I will talk about with the Robux. The first one is Robux. These are the money in the game, which you use to make or buy the most things in the game. For example, you can buy an item, or robux. You can get free robux on a game tab, and get, give, sell, or buy robux. You can only get, give, sell, or buy from or to your computer/phone. To get your friend's robux, you have to go to their game tab and click on give robux. There is an exception to this, called glitch. You can steal robux by clicking on items/users/buildings, but it will be 0 robux. The second part of this is the exchange window. This is the window that will open when you click on buy. You can only sell/buy things for 100% and less than 100%. If your number of robux is 100, and you want to buy 10 more, you will put 100/100. If you are buying low and selling high, the value will change depending on your number of robux. If you are buying 100, but your friend is giving you 100, you will only receive 100. If you are buying low and selling high, it will be very low. It will be 10 if you are buying 10. There is an exception to this, called glitch. You can steal robux by clicking on items/users/buildings, but it will be 0 robux. Yes, I am pretty sure. You are able to buy any item, which you want. Because of the way the game works, the only thing you can not buy
